1.3.3 Relevant Past Experience:

I have experience in XML and C#/Java which I should benefit from for this project. Although I personally don't have much experience with a Data Lake, and how it works, I am very excited to gain an understanding of it as well as learning all the technologies and strategies that goes along with it.

1.3.4 Non- Technical Strengths:

- Hard Worker.

- Friendly and easy to work with.

- Perseverance

- Work well in a team and alone.

- Self-motivated.

- Motivating others.

1.3.5   Why I chose this project:

I personally chose this project, because I have a desire to learn more about real world IT problems/challenges and how to provide a solution for it. I am at the point where I'd like to apply what I've learned so far as well as to learn more as I do so. I believe choosing RMB's project is one of the best options, because you are a respected and well-known company/bank.
